

Peer Assistance Services, Inc. Position Description

Peer Assistance Services, Inc. (PAS) is a community-based, 501(c)(3), not-for-profit Colorado corporation. Our mission statement, *dedicated to quality, accessible prevention and intervention services in workplaces and communities, focused on substance use and related issues*, guides all agency programming.

Position Title: Substance Use and Mental Health Evaluator/Case Manager Full-Time and Part-Time Positions Available			
Program (s) Peer Health Assistance Programs <i>(Nursing, Veterinarian, Pharmacy, Dental, Mental Health Professionals)</i>	FLSA Status Exempt	Hours (multiple openings) 12-40 hours per week Minimum of 12 hours per week (1 Assessment) Maximum 40 hours per week (3 Assessments)	Date of Last Revision July 10, 2017

Primary Purpose of Position: Responsible for comprehensive bio/psycho/social assessment of licensed healthcare and mental health professionals. Assessment includes detailed written findings and recommendations. Assessments are conducted to determine if professionals are safe to practice, require monitoring in order to practice safely, or must cease practice. Evaluator must possess excellent written and verbal communication skills along with organization ability and attention to detail.

Education and Experience Required:

Evaluator must possess one or more of the following credentials

- Licensed Clinical Social Worker (LCSW) with Certified Addiction Counselor (CAC) II or III and at least 2 years of experience in completing assessments
- Licensed Marriage and Family Therapists (LMFT) with CAC II or III and at least 2 years of experience in completing assessments
- Licensed Professional Counselor (LPC) with CAC II or III and at least 2 years of experience in completing assessments
- Licensed Addiction Counselor (LAC) with at least 2 years of experience completing assessments
- Certified Addictions Registered Nurse-Advanced Practice (CARN-AP)
- Advance Practice Psychiatric Nurse who is board certified as a clinical nurse specialist or nurse practitioner in psychiatric nursing
- Registered Nurse (RN) with both a master's degree in counseling psychology and CAC II or III with 2 years of experience completing assessments

Essential Duties & Principle Responsibilities:

1. Conduct assessment appointments lasting 2-4 hours to complete assessment tools and interview with health care and mental health professionals.
2. Gather collateral information necessary to complete assessment
3. Complete comprehensive, written assessment to include findings and recommendations regarding ability to practice with reasonable skill and safety.
4. Review of written assessments for colleagues.
